- Forgotten password p.34

Activation of the eSanté account

To activate your eSanté account:

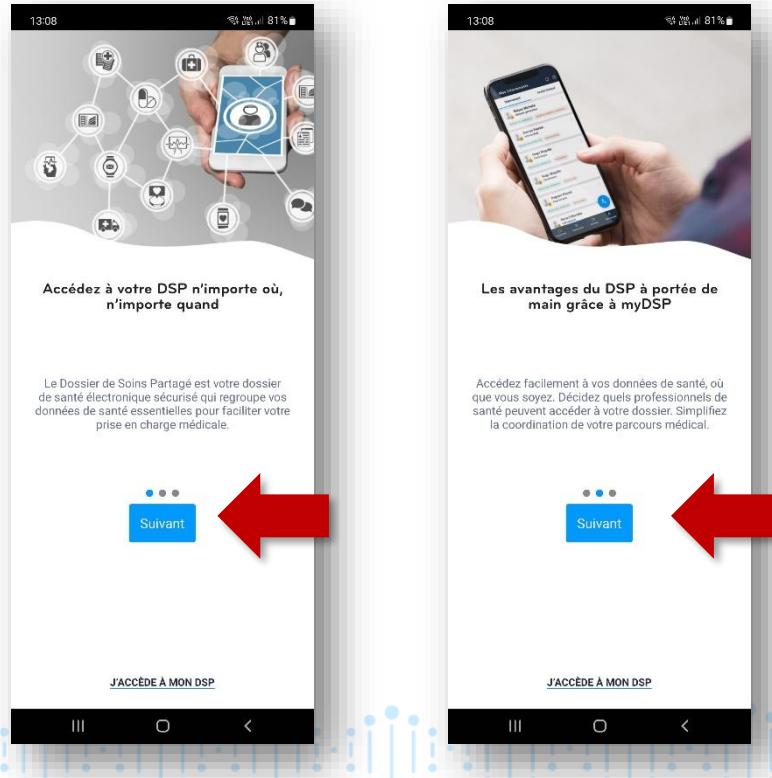

- Have your letter with the activation code sent by Agence eSanté to hand.
- Download the MyDSP application from your AppStore or GooglePlay.

Note: Ensure that your mobile phone has been updated to the latest version.

Activation of the eSanté account

After downloading the MyDSP app:

Open the app on your smartphone and double-click on « Suivant ».

Activation of the eSanté account

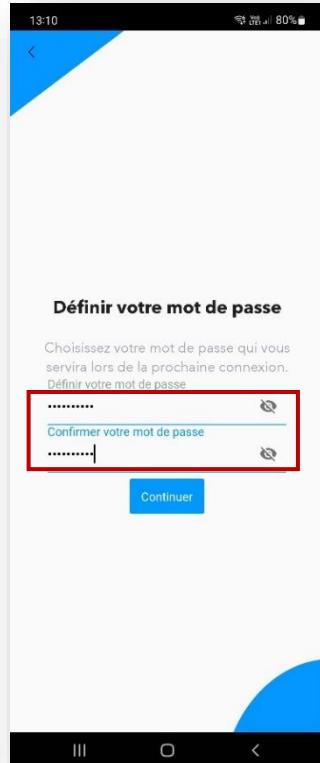

Click on
« J'ai reçu
mon code d'activation »

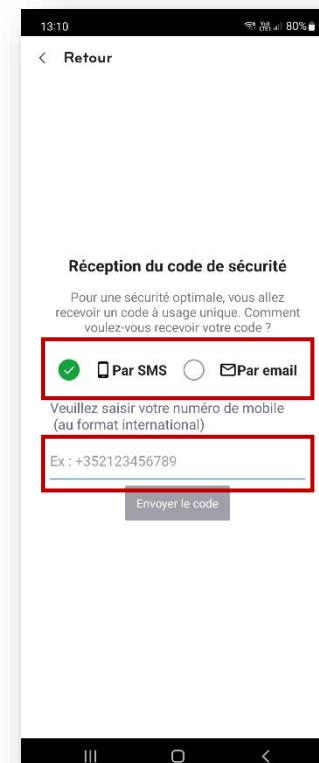

Then enter your social security
number and activation code.
Click on « Activer mon DSP »

Activation of the eSanté account

Set a personal password and confirm it.

A one-time code will be sent to you by text message or email.

Please enter your mobile phone number or email address.

Activation of the eSanté account

Enter the code you received by text message or email

The image shows an email from noreply@esante.lu. The subject line is "Votre code à usage unique pour la plateforme eSanté Luxembourg". The body of the email starts with "Bonjour," followed by "Un code à usage unique a été généré." Below this, the code "6wqxU4" is displayed in a red-bordered box, with a large red arrow pointing to the right of the box. The email concludes with "Cordialement," and "L'équipe technique".

noreply@esante.lu

Votre code à usage unique pour la plateforme eSanté Luxembourg

Bonjour,

Un code à usage unique a été généré.

Votre code est : 6wqxU4

Cordialement,

L'équipe technique

First Login

To access your healthcare record, click on « J'accède à mon DSP »

First Login

Your first login is always done using your social security number.

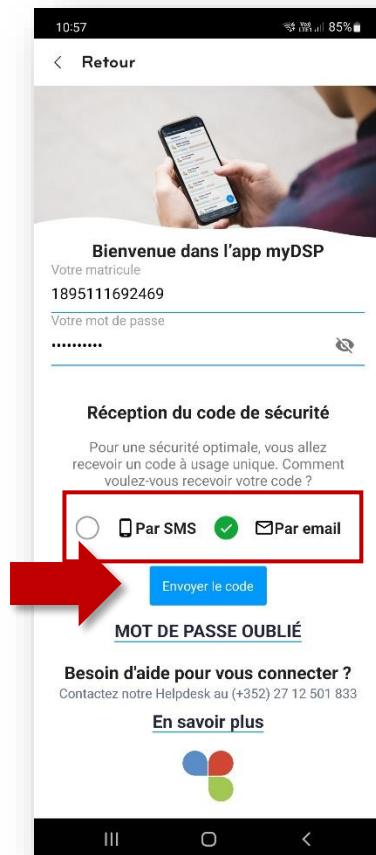

Afterwards, you can link a LuxTrust product and use it for future logins.

First Login

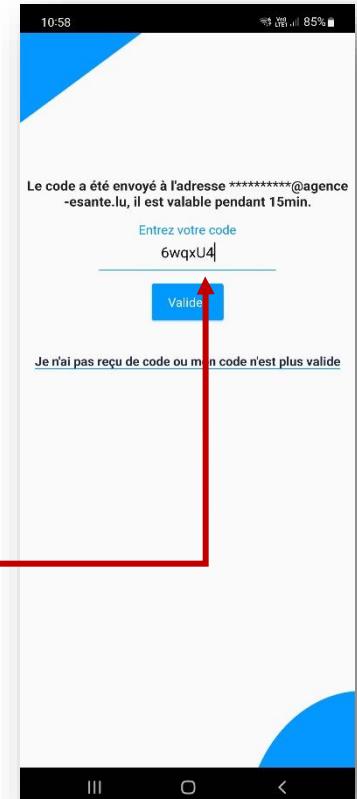

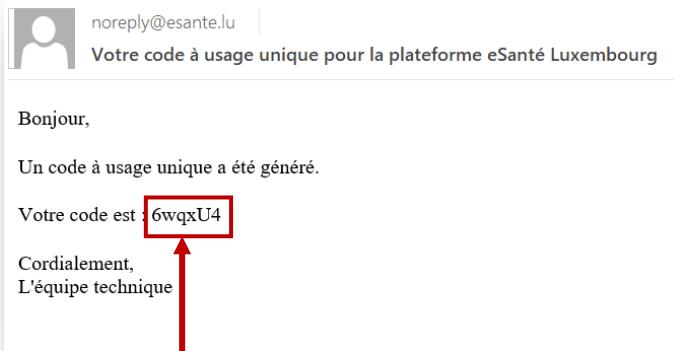

Please enter your social security number and personal password.
Then click on « Se connecter ».

A one-time code will be sent to you by email or text message. Select the method you chose during activation and click « Envoyer le code ».

First Login

Please copy the code
you received (by email or
text message) and enter it.

First Login

During your first login, you have the possibility to facilitate your future access:

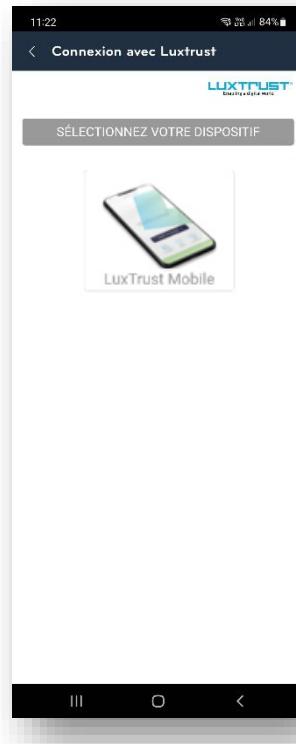

- with a PIN code (1)
- with your fingerprint/FaceID (2)

By clicking on « Ne pas rester connecté », future access will be via your social security number or LuxTrust if you choose to link it later. (3)

First Login

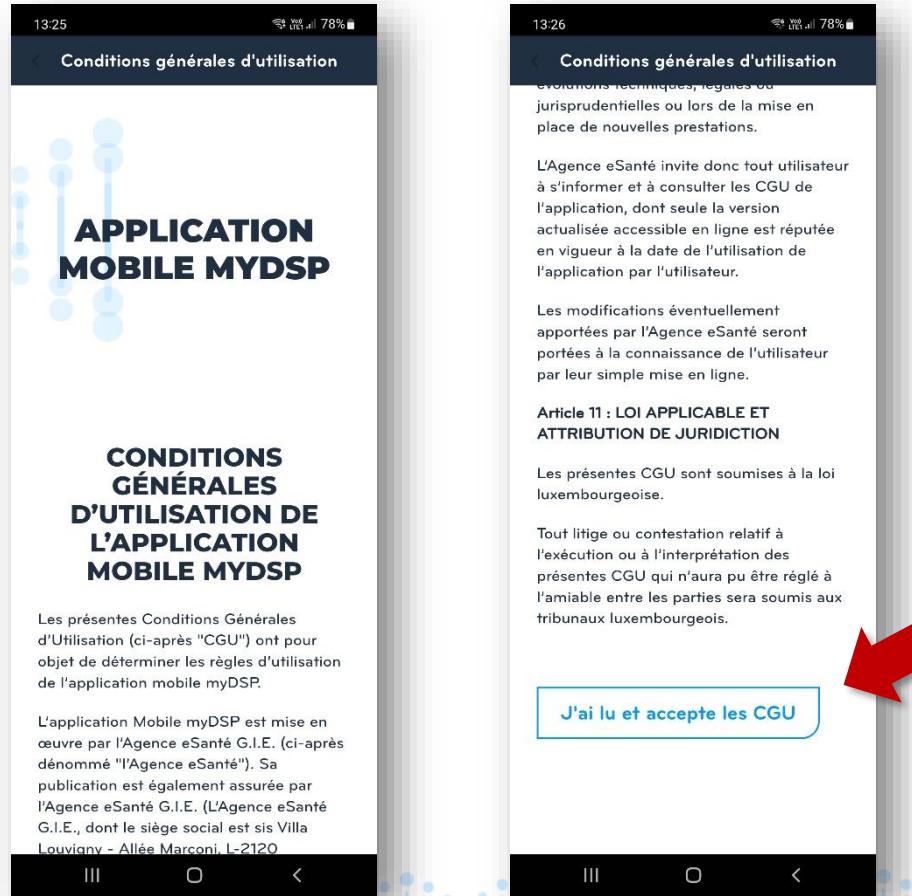

At this stage, a pop-up will invite you to link a LuxTrust product.

If you wish, select your Luxtrust product and follow the usual authentication procedure.

First Login

Please read and accept the Terms and Conditions of Use

First Login

Click on « J'accepte » to finalise the opening of your DSP

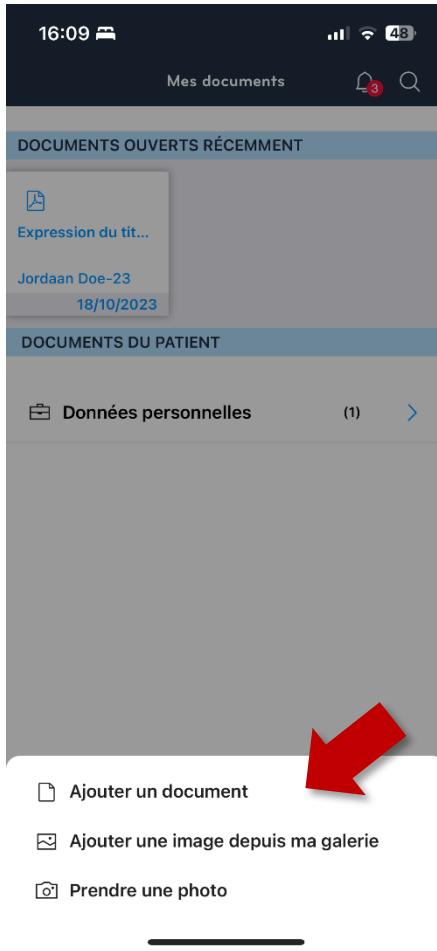

Adding a document

You can add a document to your DSP directly via the MyDSP app.

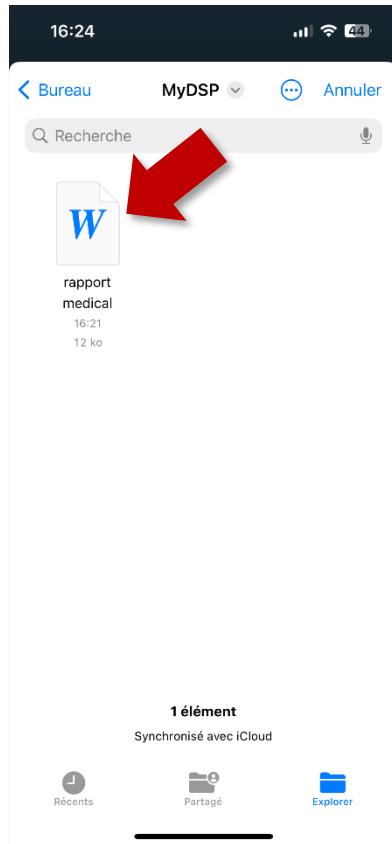

Click on the round blue button with a + sign.

Adding a document

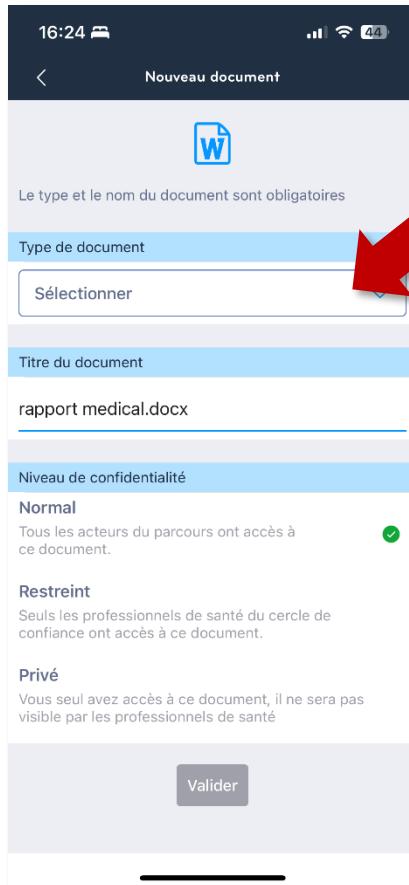

Click on the type of document you wish to add

Adding a document

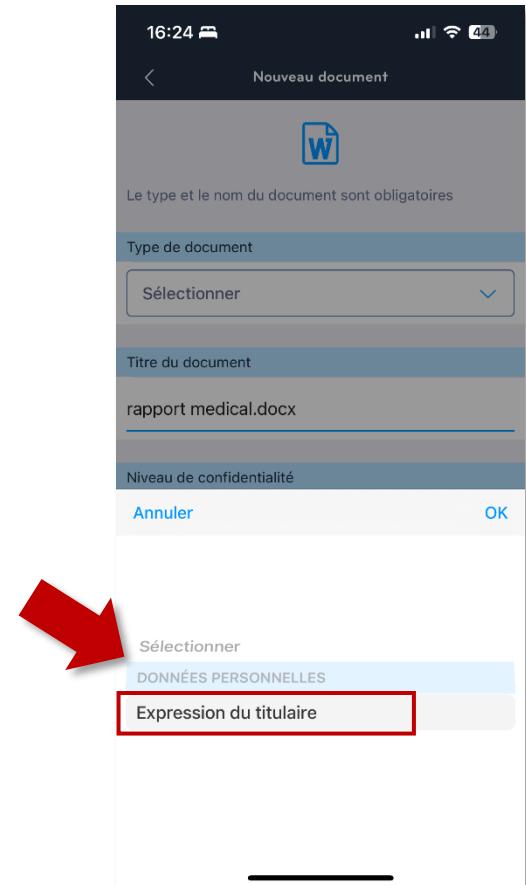

The « FICHIERS » folder will open on your mobile phone and you can select the document(s) you wish to add to your DSP.

Adding a document

Click on
« Type de document »

Select « Expression du titulaire » in the drop-down menu

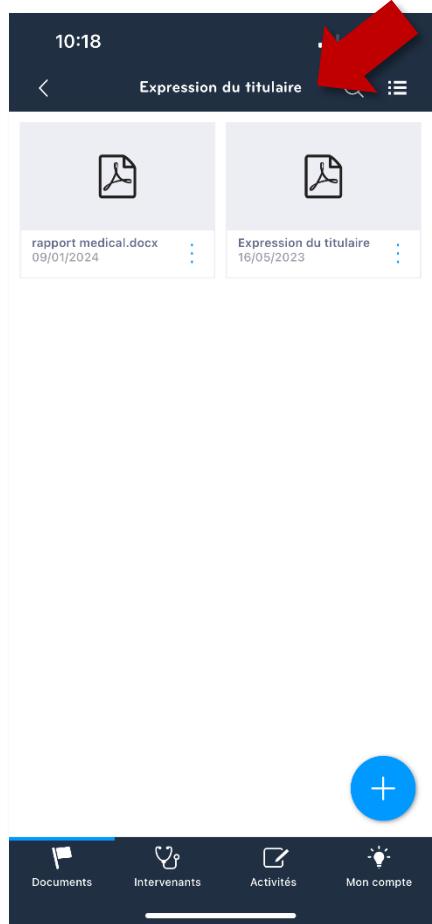

Adding a document

The document you have added is now available in the « Mes documents » section.

To view it, click on « Données personnelles » then « Expression du titulaire »

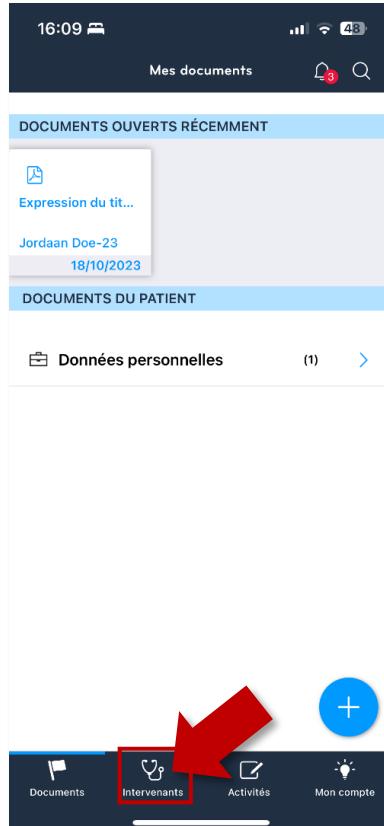

Adding a document

You can now find your documents in the MyDSP app.

Granting access to a healthcare professional

The MyDSP app allows you to give access to your file to one or more healthcare professionals of your choice.

Click on
« Intervenants »
then on 

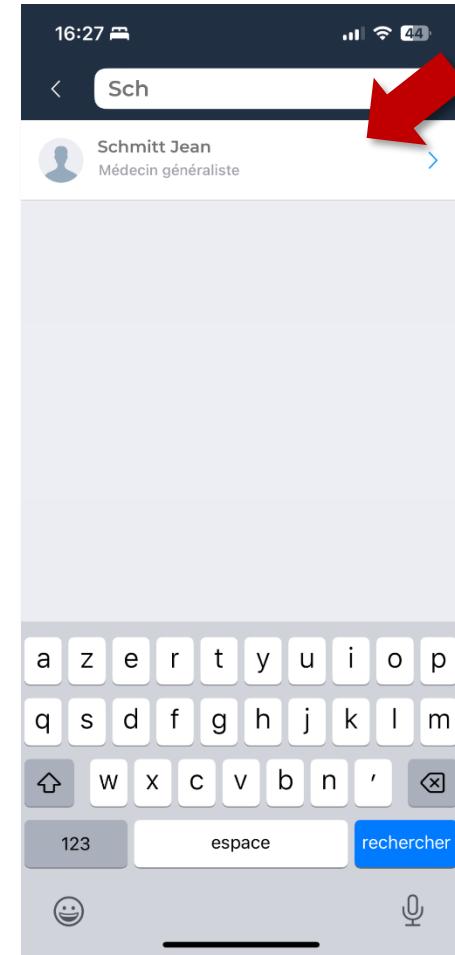

Granting access to a healthcare professional

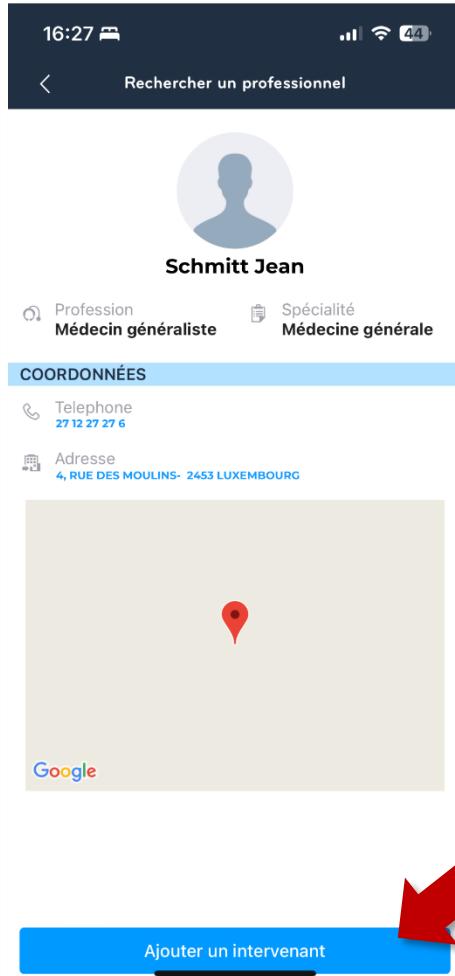

Enter the first few letters of the healthcare professional's name.

Their name will appear.

Click on the name.

Granting access to a healthcare professional

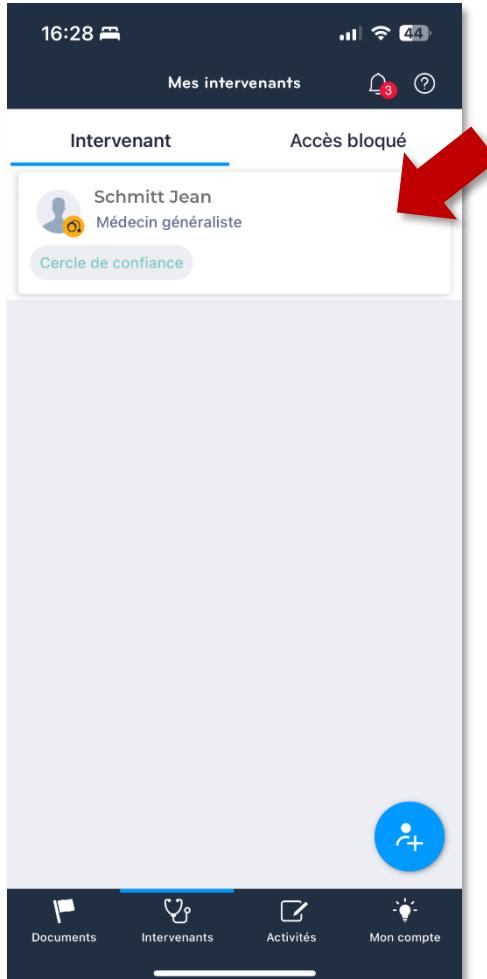

Click on
« Ajouter un
intervenant »

Then on
« Valider »

Grant access to a healthcare professional

The healthcare professional
now has access to your record.

Blocking access to a healthcare professional

To block a healthcare professional's access to your DSP:

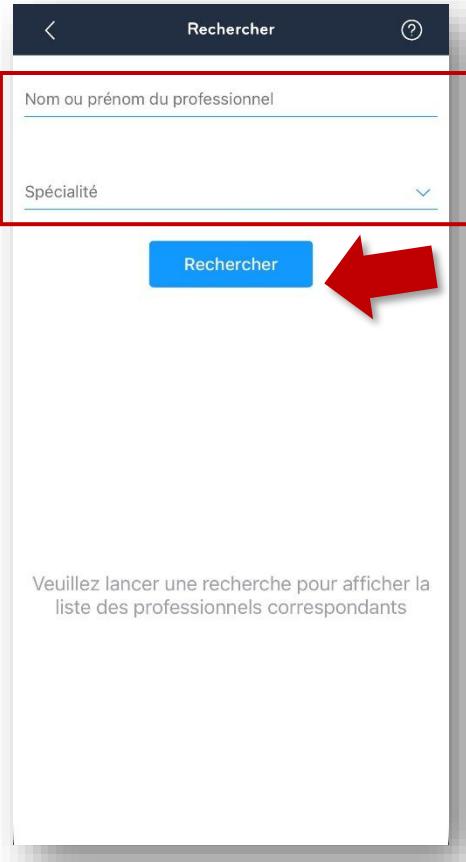

In the
« Intervenants »,
section, click on
« Accès bloqué »
and then on the
icon

Click then on
« Oui, Bloquer
l'accès »

Blocking access to a healthcare professional

Rechercher

Nom ou prénom du professionnel

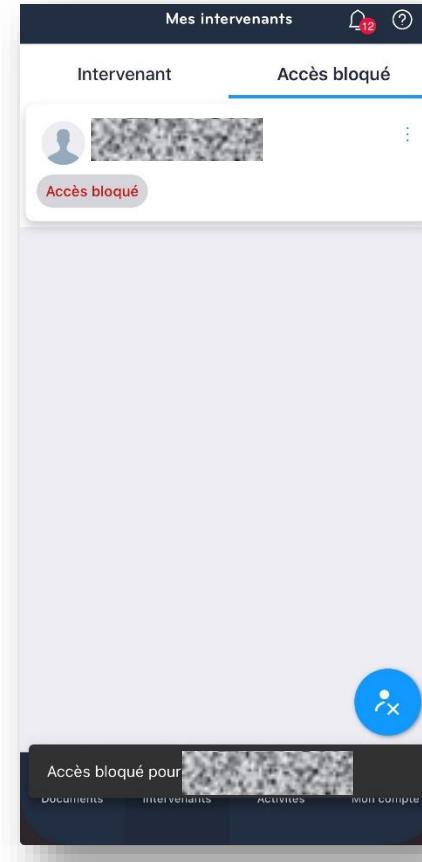

Spécialité

Rechercher

Veuillez lancer une recherche pour afficher la liste des professionnels correspondants

Enter the **name** of the healthcare professional and their **speciality**. Click on « **Rechercher** ».

A list will appear. You can then select the relevant professional.

Mes intervenants

Intervenant

Accès bloqué

Accès bloqué

Accès bloqué pour [redacted]

Documents

Intervenants

Activités

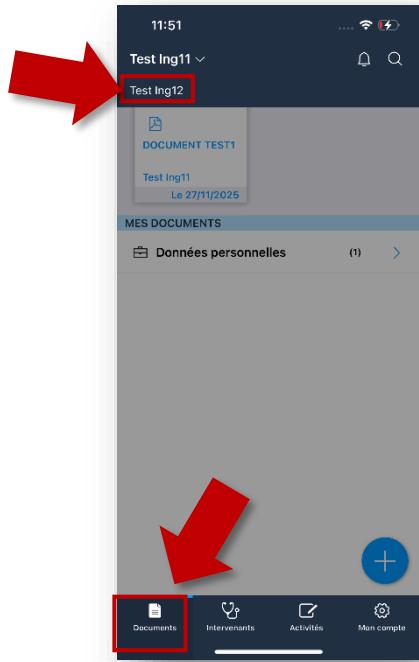

Mon compte

The name of the healthcare professional will then appear with the words « **Accès bloqué** ».

You can unblock this access at any time.

Viewing a third party's DSP as an assistant

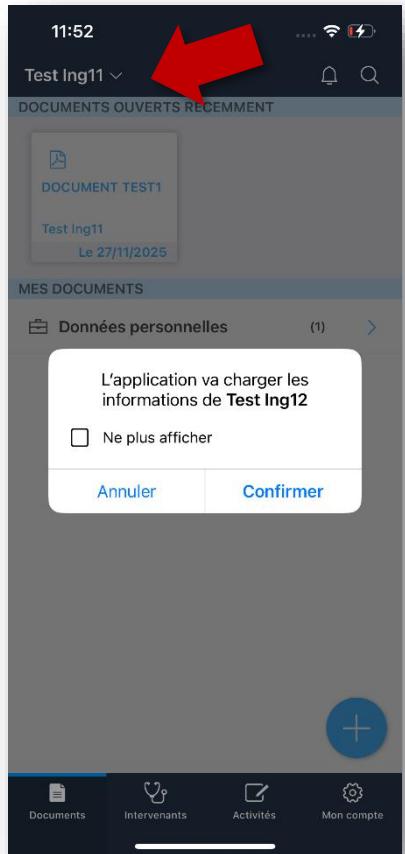

If a third party has designated you as an assistant to manage their DSP, you can access their file via the app.*

In the « Documents » tab, you can see if you are assisting a third party. (example in the screenshot: 'Test Ing12')

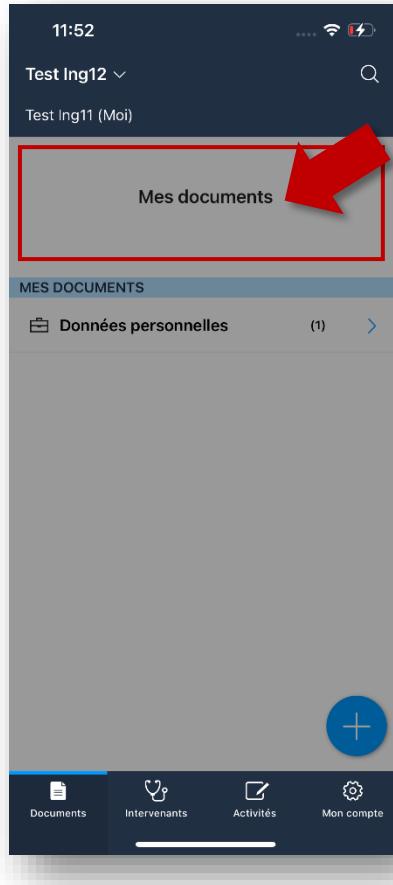

* The appointment of a DSP assistant is only possible via a connection to the portal www.esante.lu. Consult the [DSP user guide](#) for detailed procedures.

Viewing a third party's DSP as an assistant

To access their DSP, click on the name of the person who designated you as their assistant and confirm the action. The information contained in that person's DSP will then be automatically loaded.

Viewing a third party's DSP as an assistant

In the « Mes documents » area of the person who designated you as their assistant, you have access to all the documents contained in their file. You also have access to all the other features of the application.

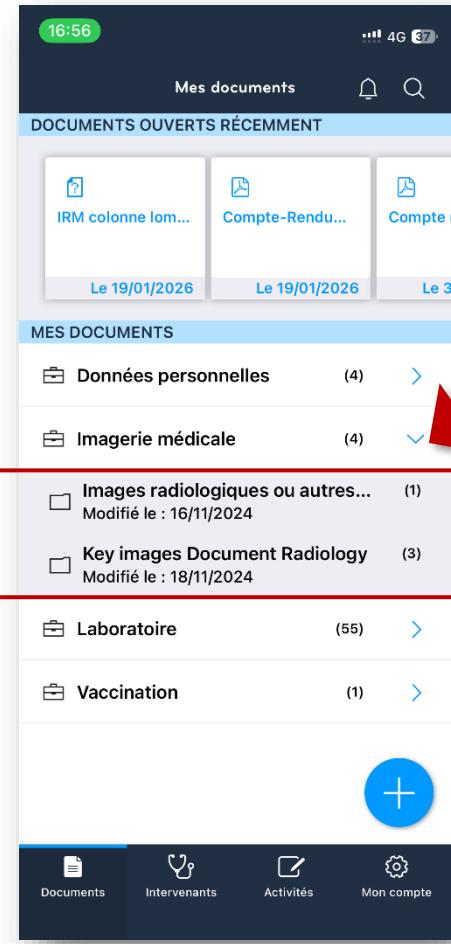

Access to medical imaging

Click on
«Imagerie médicale»
to access your medical
images (scan, MRIs,
etc.) and related
reports

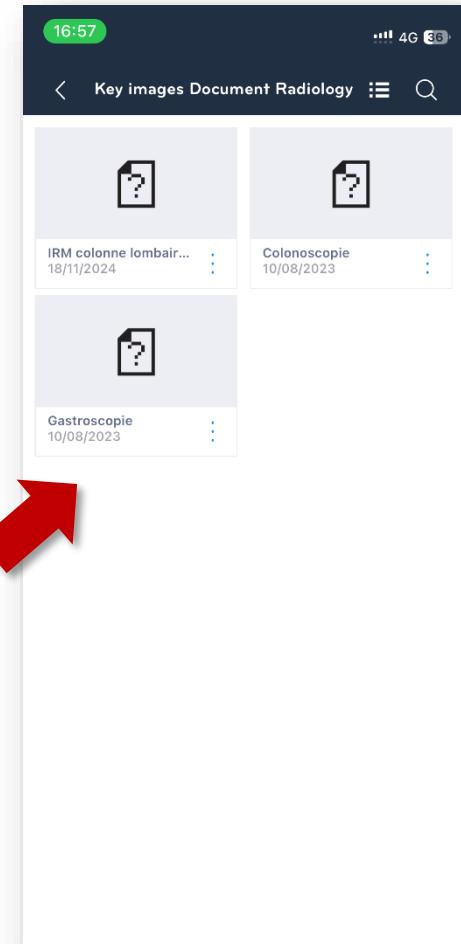

Access to medical imaging

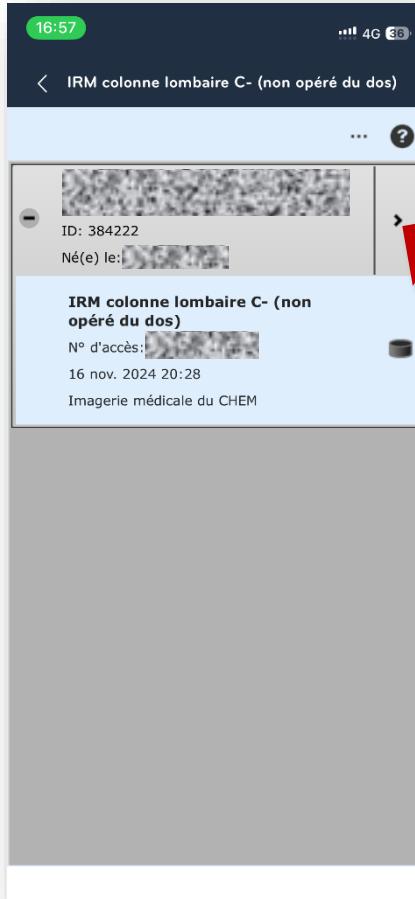

To access the report, click on «**Images radiologiques ou autres...**».

To access the image, click on «**Key images Document Radiology**».

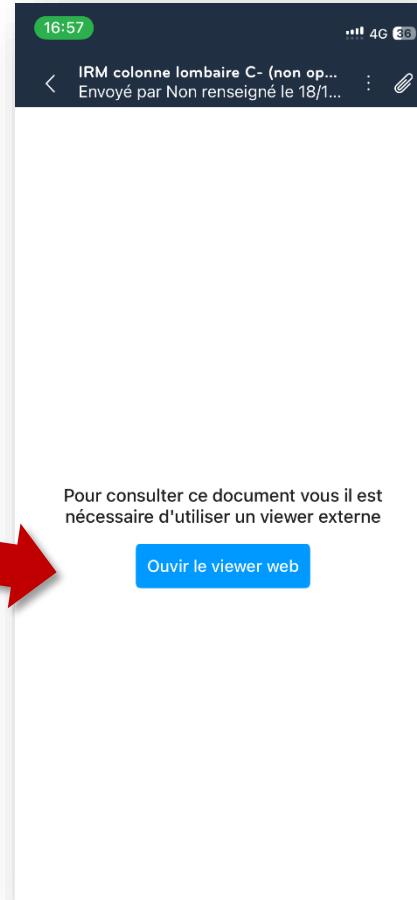

You will then see links to the various images stored in your file.

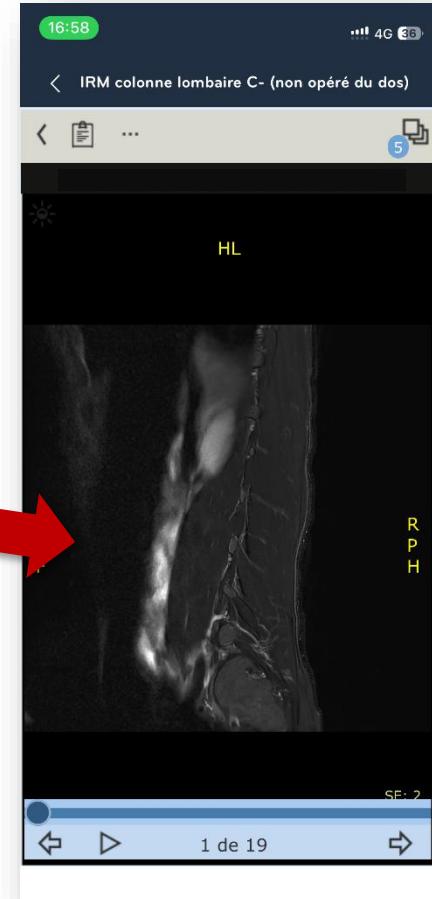

Access to medical imaging

Click here
and then on
«Ouvrir le
viewer web»

You now
have access
to the
image

Forgotten password

If you wish to log in with your social security number and have forgotten your password:

Click on
« Avec votre matricule »

And then on
« Mot de passe oublié »

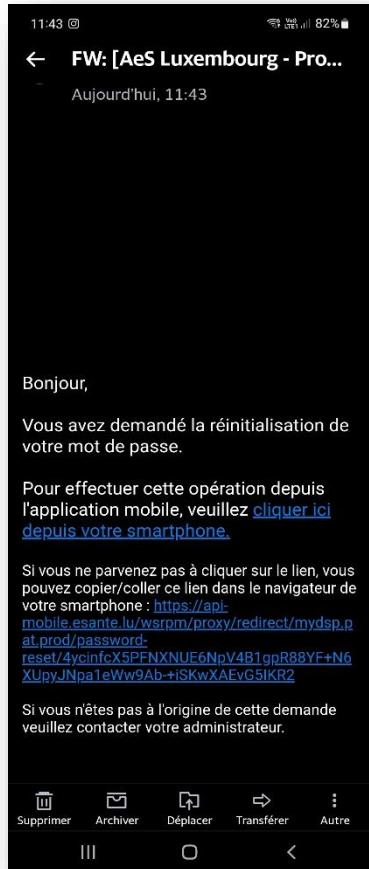

Forgotten password

Enter your social security number and email address, then click on « Réinitialiser mon mot de passe ».

Please note: If you do not have an email address linked to your account, please contact our Helpdesk on (+352) 27 12 50 18 33.

Forgotten the password

An email has been sent to you. Click on the link in the email received on your mobile phone.

A window will open. You can set a new password, confirm it, and then click « Valider mon nouveau mot de passe »
